Global Connection

New technology

Different? EMERGENCY MANAGEMENT

✓ COVID-19 Emergency and back up plan

- The spread of Corona Virus is having dramatic effects seriously in danger on worldwide health status and the economic & commerce situation is.
- AIF network is on customers' side to help minimize the related trouble, to positively pass through the emergency and to survive in the market

❖ *Never stop operation*

: Guarantee operative staff in office and w/h, under higher level security

* *A.I.F. never stop from the Covid-19 start*

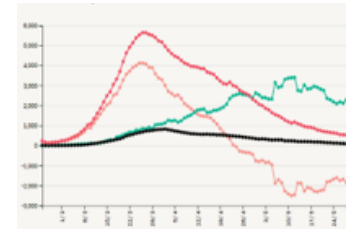

❖ *Continuous monitoring* with Airlines for weekly service and rate level

❖ *Network cooperation*

: Cross over handling between A.I.F. EU branches under closed communication.

Looking for the best chances in terms of available service and rates by multitasking options from European main airports.

* If not available in Italy, move to Germany & France !
