SPECIALITY

SPECIALTY Wine

WINE PRODUCTION IN FRANCE

■ MAIN VINEYARD
■ EAU-DE-VIE (BRANDY ETC...)

The main wine region, in terms of quantity and quality, is Bordeaux Area (see **Bordelais** on the map).

WINE PRODUCTION IN FRANCE | FCL SHIPMENTS

In France, there are 2 main ports : **LE HAVRE** and **FOS SUR MER**.

Shipping lines have services :

- from Northern Europe (Le Havre, Antwerp, Rotterdam etc...) to Asia
- from Southern Europe (Fos sur Mer, Italian ports, Spanish ports etc...) to Asia

Bordelais region is ideally located at the same distance of LE HAVRE and FOS.

It gives us the possibility to use different services.

Thus, we are always able to provide you the shortest T/T between France and China (whatever the POD is) at the lowest cost.

Different? EMERGENCY MANAGEMENT

✓ COVID-19 Emergency and back up plan

- The spread of Corona Virus is having dramatic effects seriously in danger on worldwide health status and the economic & commerce situation is.
- AIF network is on customers' side to help minimize the related trouble, to positively pass through the emergency and to survive in the market

❖ *Never stop operation*

: Guarantee operative staff in office and w/h, under higher level security

* *A.I.F. never stop from the Covid start*

❖ *Continuous monitoring* with Airlines for weekly service and rate level

❖ *Network cooperation*

: Cross over handling between A.I.F. EU branches under closed communication.

Looking for the best chances in terms of available service and rates by multitasking options from European main airports.

* If not available in Italy, move to Germany & France !
